

## Multimedia Sites for Educators

=[Presentation University](http://home.earthlink.net/~atomic_rom/web.htm) Here is a site that can be utilized when presenting a multi-media presentation. Some etiquette if you will!

[http://home.earthlink.net/~atomic\\_rom/web.htm](http://home.earthlink.net/~atomic_rom/web.htm)

=[Tips for creating multimedia presentations](http://www.west.asu.edu/achristie/546/agnew.html) Just as the title says, this was found on the EDT 546 site.

<http://www.west.asu.edu/achristie/546/agnew.html>

=[Plagiarism](http://turnitin.org/static/home.html?session-id=01d9061354da67e3ed6baae83c96d98f) This site has been featured on nightly newsreports and utilized by teachers to scan for plagiarism and property law discussion.

<http://turnitin.org/static/home.html?session-id=01d9061354da67e3ed6baae83c96d98f>

=[Technology integration ideas](http://www.remc11.k12.mi.us/bcisid/classres/intideas.htm) This site is for educators who need some ideas as a springboard to integrate into their own classroom.

<http://www.remc11.k12.mi.us/bcisid/classres/intideas.htm>

=[WOW](http://www.thecoo.edu/~apeter/technology.htm) This site is an amazing resource for integration ideas including standards.

<http://www.thecoo.edu/~apeter/technology.htm>

=[Webquest](http://webquest.sdsu.edu/) Bernie Dodge's site for creating and developing sites

<http://webquest.sdsu.edu/>

=[Project-based Learning](http://www.proquestk12.com/curr/elibrary.shtml) This site provides integration in a Project-Based Classroom using e-library as a resource.

<http://www.proquestk12.com/curr/elibrary.shtml>

=[Apple Education Site](http://www.apple.com/education/) Apple site resources for Education. Check out the iMovie and other multi-media examples.

<http://www.apple.com/education/>

=[PowerPoint tips for Educators](http://www.rcas.org/techconnect/ppford.html) Just as it says, PowerPoint tips for teachers

<http://www.rcas.org/techconnect/ppford.html>

=[Teacher projects](http://www.rcas.org/techconnect/proj.html) Here are some examples of some collaborative projects created by teachers on-line

<http://www.rcas.org/techconnect/proj.html>

=[Tech ConnectEd](http://www.rcas.org/techconnect/index.html) This site has wonderful tips for teachers that love technology integration.

<http://www.rcas.org/techconnect/index.html>

=[Academic Media Network](http://www.acamedia.com/) This site includes examples of movies and multimedia tools for the classroom

<http://www.acamedia.com/>

=[Timeline](#) Here it a timeline of multimedia tools as they have progressed over the past 200 years.

[http://home.earthlink.net/~atomic\\_rom/moments.htm](http://home.earthlink.net/~atomic_rom/moments.htm)

=[Multimedia Glossary](#) I like this site as a reference when I don't know what a terminology is in multi-media.

<http://webschoolsolutions.com/terms/terms.htm>

=[Inspiration Ideas](#) Here are some ideas that you can use with inspiration in your classroom

[http://etc.sccoe.org/i2000/00mod/1\\_mm/insp2.html](http://etc.sccoe.org/i2000/00mod/1_mm/insp2.html)
